Pro Tools + Eleven Rack

Revolutionary Guitar Recording and Effects Processing System

MSRP: $1,259.00 USD

Get the guitar tone you've always dreamed of—in your studio and on stage. Pro Tools® + Eleven® Rack is a specially designed bundle for guitarists that comes with the world's most popular professional recording software, a DSP-accelerated audio interface that offers mind-blowing, hyper-realistic tones of world-renowned classic amps and effects, and the Eleven Rack Expansion Pack add-on, giving you unprecedented tonal versatility.

From the Studio to the Stage

Get the experience of playing through a full guitar rig with the innovative tone cloning and True-Z input in Eleven Rack. Enjoy the freedom to explore different tones in your recorded performances and create professional-quality productions more easily, thanks to the unique hardware and software integration. And rock your talent on stage using the interface as your standalone amp modeler and signal processor. No matter how you use it, you'll always have the right tone at your fingertips when you need it.
